Subject : Printing of Ballot papers in Sarjapur Municipality, Anekal taluk in connection with election held on 11-11-46

With reference to your letter No L 9211 dated 11-89-47, on the above subject, I have the honour to forward herein the report No H C 32/47-48 dated 26-1-48, received from the President, Municipal council, Sarjapur and to state that president of the Municipality was permitted in this office memo No 1390/46-47 dated 28-10-46 to get the Ballot papers printed and submit the bill for verification

From the explanation submitted by the Exe-vice President of the Municipality dated 20-1-48 it is seen that the ballot papers had to be got printed in a hurry as there were only 12 days left for the conduct of the election after the government press pleaded inability to execute the work and that on a previous occasion, they had ircurred an expenditure of Rs 50/- for 1200 ballot papers which were not so big as the one under reference In his letter dated 11-10-47, the owner of the Model Printing house, Akkipet, Bangalore city, states that for the urgent execution of this job, he had to get certain blocks specially prepared after paying for it and that he had to pay extra wages to the labourers for working operation for the sake of this job Having no other alternative the work was given for Rs 88-8-0, in the interest of Municipal work He has therefore stated that he cannot reduce his bill from Rs 88 -5-0-to Rs 35/-

The president further reports in his No 32/47-48 dated 25-1-48 that as there was no sufficient time to call for tenders the ~~incorry~~ of the expenditure (Rs 88-8-0) was unavoidable and requests that the above expenditure of Rs 88-8-0 may be sanctioned as a special case

Under the above circumstances I request that sanction of Government may kindly be obtained for the resolution of the council at
